

2018-19 Pledge Campaign

Rather than traditional fundraisers, Bethke parents have preferred to support all of the PTO-sponsored activities, events and materials it provides to the school through two main sources:

- 1) **Community-sponsored events and affinity programs.** Certain businesses provide Bethke with cash back for dollars that Bethke parents spend. So, consider spending your money where it counts twice! The PTO sponsors several social events, where we have fun as a Bethke community and raise money to support the school.
- 2) **The Annual Pledge Campaign.** This is where the majority of our funds are raised. We ask parents to donate to the PTO to help cover the costs for field trips, core learning days and celebrations, and classroom stipends that go to purchase materials that enhance learning experiences. Every student at Bethke directly benefits from PTO-funded activities.

Write one check at the beginning of the year to Bethke PTO and this donation covers the costs of your student(s) field trips, assemblies, special supplies and so much more!

What should I give? This is entirely up to you and your family. Please donate what you feel you can afford. Every dollar goes directly to Bethke and is a tax-deductible donation. The PTO has set a goal of \$100/student, which is generous but not out of reach considering that the school does not collect money from each student to cover individual expenses like field trips or special supplies for class projects. The PTO funds cover these expenses for all students!

With your contributions, the PTO will be able to continue its level of support, enriching the lives of students at Bethke with exceptional learning opportunities. **Thank you!!**
